Commissioner of Indian Affairs,

Sir:

Referring to Office Letter of June 11, 1898, "A", I have the honor to transmit herewith census of the Pueblos of Cochiti, San Juan, Santa Clara, San Ildefonso, Zia and Zuni, together with the census of Laguna village proper and a partial census of Isleta. In all the other Pueblos it was found impracticable to take a census without incurring any expense. The Laguna Pueblo is scattered in a number of villages from which no returns could be secured. A number of the Isleta Indians live on the opposite side of the Rio Grande and could not be reached without hiring a conveyance. I have secured estimates of the number of Indians in all the Pueblos where schools are located, which will be transmitted with my annual report.

Very respectfully,

U. S. Indian Agent.

I have done the best I possibly could. With limited time and knowledge of names. I know all the people - old and young - but not all the names. I make 70 males over eighteen years of age and 75 females over fourteen years of age. and 74 children between the ages of 6 and 16. Of these 43 have been enrolled this year with about 20 giving a fair attendance. leaving 40 that never enter the school room.

Very respectfully
